Multi Use UVC Sanitizer

Quick and easy to use.
 No chemicals, No mess!
 We save you time and
 money with UV-C lighting.

The UV-C light has a very strong penetrating power. It can easily penetrate the cell walls of microorganisms such as bacteria and viruses. Their DNA will be destroyed and prevent them from reproducing again.

Benefits

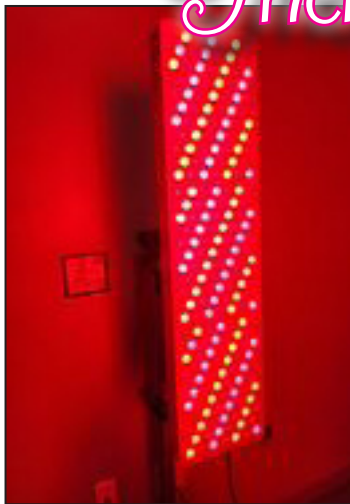

- ✓ No Ozone cleaning smell. #1 complaint about competitor cleaners.
- ✓ No harsh chemicals to fill or filters to change.
- ✓ Will not cause breakdown on your mask.
- ✓ Can be used to sanitize other household items like (kids toys, cell phone, mouth guards, breast pumps, false teeth, and more.)
- ✓ Breaks down and destroys yeast growth that is harmful for diabetics on false teeth, retainers, and mouth guards.
